CREATIVE STRATEGIST | SOCIAL MEDIA

PROFESSIONAL SUMMARY

Performance-focused creative strategist and social media manager who turns audience insight into content and distribution decisions. Experience scaling YouTube and multi-platform systems, film catalogue distribution, regional content, and high-volume production. Combines data-led planning with clear storytelling so growth and reporting stay connected.

EXPERIENCE

Sr. Social Media Manager
Cinekorn Entertainment, Mumbai — Jan 2026 to Present

- Manage multi-channel distribution across YouTube, Facebook, and LinkedIn for a film distribution company.
- Plan cadence and extract formats from catalogues (full releases, serialised parts, Shorts) with clear performance reporting.
- Build multi-format systems for regional Gujarati titles, turning single films into full releases, part series, and Shorts.
- Introduced AI-assisted tooling to classify large content inventories and speed up content decisions.
- Develop distinct approaches for company LinkedIn and founder profile content.

Social Media Manager & Content Lead
Swad Cooking Institute — Nov 2024 to Oct 2025

- Led content strategy for institute and creator YouTube channels focused on growth, retention, and conversion.
- Delivered 22.43 million views, 1.43 million watch hours, and over 130,000 new subscribers in one year.
- Supported digital marketing, contributing to an estimated channel revenue of ₹14.46 lakh.
- Directed production of videos, live sessions, short-form content, and festive campaigns.
- Led the creative team and integrated AI-assisted workflows to reduce ideation-to-publish time.

Social Media Manager
Jalan Mega Mart — Jul 2023 to Nov 2024

- Built digital marketing and social media operations from near zero for a B2B textile business.
- Set up and managed a regional YouTube and page network (about 10-15 channels) plus Instagram and Facebook surfaces.
- Executed influencer campaigns with 70+ influencers and 100+ bookings.
- Coordinated content calendars, festival campaigns, and offline promotion while supervising teams.

Digital Marketing Executive
Ajmera Fashion — Jul 2022 to Jul 2023

- Developed regional and multilingual content strategy for B2B textile growth.
- Tracked performance across approximately 50 accounts and delivered 20.3% growth on the same set.
- Grew a regional Facebook page organically from 647 to 14,473 followers.
- Created content for brand awareness, founder visibility, and campaign support.
